

Gering & Son is a family owned business that has been operating for 30 years. Approx. twenty-two years ago, the Dry Pack Canner was designed to meet the needs of members of the LDS Church. We have continued to manufacture these machines and plan to do so for many more years.

When canners need repaired, you can either return the canner to us for repair or we can send parts and instructions for you to repair. If you have questions on anything regarding the sealing process, you can call us and we will try to help.

For more information on Dry Pack Canning, we suggest you visit The Church of Jesus Christ of Latter Day Saint website for provident living. You may find this website at www.providentliving.org/channel/0,11677,17061,00.html.

Canner Purposes:

These units are only made for dry pack canning items such as:

- ◆ Flour
- ◆ Sugar
- ◆ Noodles
- ◆ Wheat
- ◆ Potato flakes/ pearls
- ◆ Cocoa
- ◆ Dry milk
- ◆ Other products available at the LDS church canneries.

Sealer Specifications:

Weight— 58 pounds

Height— 19 inches

Width— 10 inches

Gering and Son Dry Pack Canners are able to seal reflanged cans by adjusting the star knob under the round plastic base

Motor:

Each machine has a new Bodine motor. These machines can also be manufactured with a 220V motor for foreign customers, this option costs extra.

Special Features:

Interlocking roll to chuck design assures quality seams. Simple one arm sealing operation with positive stops. Light and easy to carry, portable unit. Seals #10 cans.

Also includes sealed bearings and commercial canning rolls.

Torque Arm:

All canners now come with the torque arm. The torque arm tells you the amount of pressure you are applying to a can.

Cost:

The price of a canner is **\$995.00 plus shipping**, which ranges anywhere from \$25.00 to \$50.00 depending on the area in which you live. All machines are shipped. FedEx Ground. If you are in Alaska or Hawaii you must pay the air shipping fees, and if you are resident of Canada or another foreign country, you must pay the exporting fees. Idaho residents must pay sales tax.

Payment accepted with Visa/Mastercard, or by check.

A 3% processing charge is applied to all invoices paid with a credit card.

Warranty:

One full year under normal usage. This does not cover abuse, misuse or accidents.

These machines are not throw away units. Replacement parts are available or they can be sent back to us for repairs.

Ordering Process:

There is sometimes a wait to receive one of these machines. To place an order, call and we will put you on a waiting list. The wait depends on the time of year in which you order.
